

Interview Skills

Now a days, the candidates are really lacking the basic and most important skills on convincing the interviewer and ultimately making the interview tougher for them. "Every hiring happens when the interviewer feels that the candidate believes what he believes". Why don't you take the control of the interview while being interviewed? EXACTCORP developed a perfect methodology for attending interviews by our Experts. Here we do have a dream program for the students "The Pleasure of being interviewed". Why don't you take advantage of it?

Softskills for Students

Thousands of students are being passed out from professional colleges. But only few of them get their dream job. Gone are the days when scoring the highest marks in your class ensured the best jobs in the world. The current job market is demanding one, the modern day Professional is no longer one dimensional, they wear many hats – they are innovators, leaders, motivators and professionals with good interpersonal skills. Why don't you be an expert with the best Soft skills?

Reduce the Gap

You are a new graduate with an admirable professional degree, but you should be a real value addition to your Employer's current teams and projects. Corporates are looking for the candidates who can easily adapt their culture and blend in to their highly performing professional teams in a short span of time. At Exact, we bridge the gap between college and industry by bringing the corporate culture to the graduates and mould you in next generation skills. Take advantage of our "Campus to Corporate" program.

MENTORING FOUNDATION

Differentiating Your Brand

For us you are not just
another client...
Your brand's success
is our obsession!

Exact Mentoring Foundation is a leading firm near Inforpark Kochi, which specializes on college and corporate training and staffing. We developed an excellent program specially made for colleges for preparing their candidates for campus placements and it is called Campus to Corporate program.

The transition from College to a Corporate environment is a big adjustment for many graduates. Expectations and responsibilities in the workplace are very different than those in College. There are unspoken nuances and social norms that many graduates are completely unaware of and adjusting to a professional environment can be extremely challenging as also traumatic to a few. Exact Mentors guarantee you that you will be able to win any interviews if you utilize our program effectively.

Our experts had the privilege to work for many Fortune 100 companies during their tenure in the US and India. While taking interviews in India, we realized that our candidates are really missing the basic and most important skills on convincing the interviewer and ultimately making it tougher for them. "Every hiring happens when the interviewer feels that the candidate believes what he believes". For any organization, every hire has to be a value addition to their firm. Why don't you take control of the interview while being interviewed?

We at EXACTCORP developed a perfect methodology for attending interviews "The Pleasure of being Interviewed" based on the experience we have in the industry while taking and giving interviews at Corporate America and Corporate India.

We would like to differentiate your Brand by making 100% campus placements for your students. Are you ready yet?
